FIND YOUR RIGHT GLOVE SIZE

USE THIS CHART TO CHECK YOUR HAND SIZE

USING THE VICTORY GLOVE SIZE CHART TO CHECK YOUR HAND SIZE:

1. Print a Copy of the Chart A4 size at 100% scale
2. Check that the scale is correct and displays / prints at 130mm wide as indicated
3. Extend the right hand and place on the chart as indicated aligning the index finger and thumb on the X as indicated
4. Check to see which size line measures closest to the right hand edge of your hand and to the tip of your middle / longest finger

This will indicate the best (most suitable) glove size

Note: Although sizing is standardized, some variances can occur due to differing materials, design, and manufacture

Align index finger

Check that this distance displays or prints at 130mm wide
